

isHudTimerRunning

From Mafia2-Online

Description

This function is used to check if a HUD Timer is currently running.

Parameters

```
()
```

Example

```
?  
1 addCommandHandler( "toggletimer",  
2     function( playerid )  
3     {  
4         if( isHudTimerRunning() )  
5         {  
6             stopHudTimer();  
7         }  
8         else  
9         {  
10            startHudTimer();  
11        }  
12    }  
13);
```
