setGPSTarget

From Mafia2-Online

Description

This function is used to set the GPS target.

Parameters

```
(float fX, float fY)
```

float fX	The X position to set
float fY	The Y position to set

Example

```
?
1  addCommandHandler( "createTarget",
2      function( playerid )
3      {
4          setGPSTarget(-1364.373047, -190.915527); // Near to the spawn
5      }
6  );
```
